

## **All India Federation of Master Printers announced Scholarship/ Stipend/ Gold Medal for meritorious students**

As rightly put forward by Prof. Kamal Chopra, President, AIFMP – ‘Ignoring Print education is like missing the woods for the trees’. It is therefore, the duty of AIFMP to promote print education in India.

For the promotion of print education and to boost the talented students and teachers, AIFMP the one and only apex body of Indian printing industry declared various schemes for academically studious students to promote print education in India.

During the 234th GC meeting of AIFMP which was held on January 16, 2017 the three members committee announced stipend for economically weaker meritorious students studying at diploma level institutes in India. Total 10 students were selected PAN India who have been awarded a stipend of Rs 1500 per month, a total of Rs 1, 80,000/- per year.

“Girl education is essential” and supporting this noble cause AIFMP Committee also announced scholarship to 1 girl student in each region. Four scholarships of Rs 50,000/- per year (a total of 2 lakh per year) are announced till the completion of their studies in printing.

Committee also announced 3 Gold Medals, one each for the academically Brilliant Diploma, B.Tech&M.Tech students.

“Education Empowers to become economically independent”. Keeping this vision in focus AIFMP is sure to provide a better future to the talented young minds in printing industry.
